

West Acton Primary School,
Noel Road, London W3 0JL

DONATE YOUR UNWANTED LAPTOPS OR TABLETS

Schools are closed again and some of our pupils do not have access to laptops and tablets to continue with their studies. **The BBC has started a 'Give a Laptop' appeal - why not support West Acton, our local primary school?** We would appreciate it if you can donate any unwanted laptops or tablets to the school. To donate your device:

Delete your personal files and apps from the device

Collect together the device, charger and manual

Deliver in person or send by post to the school (address above)

Alternatively, you can also **donate money** using the Just Giving website <https://www.justgiving.com/crowdfunding/west-acton-primary-school> or scan the QR code to take you directly to the website.

Thank you for your support!
